We believe environmental sustainability and the need to manage our environment impact is essential. The Garden café prides itself on using as much recycled and environmentally friendly products and packaging as we can. We partner with Green mark packaging to provide cost effective, sustainable and environmentally friendly packaging combined with innovative food delivery to reduce waste.

**Menu Issues or Inquires**

*Students are encouraged to please notify a teacher (in the Junior School) or see the café personally for (high school students) ASAP if there is an issue regarding online lunch orders and it will be dealt with on the spot by the café staff. [gardencafe@vanillablue.com.au](mailto:gardencafe@vanillablue.com.au) is also available to provide feedback*
