A GIFT FOR THE FUTURE

Our vision is to educate and empower young women, in a global learning community, to serve and shape their world.

Every part of life at Wenona is built on a deep understanding of how girls think, work and feel.

Research shows that girls are more inclined to stretch themselves in single-sex education environments. In and outside of the classroom, we provide the guidance and encouragement for our students to become confident, resilient, graceful women who live by Wenona's values of Courage, Strength Grace and Wisdom, and a deep seated commitment to Ut Prosim, that I may serve.

Investing in the future

Leaving a gift in your will is a sensitive and personal decision, but one that will make a significant impact on future generations of Wenona students.

Wenona has a strong tradition of philanthropy, commencing in 1958 with the initial gift by Miss Edith Ralston and her family to ensure the School's future, and continuing with generous benefactors who have made gifts to Wenona in their will, including Dr Judith Dey and Mrs Patricia Bernard.

The Wenona Foundation invests testimonial gifts prudently and ensures the utmost level of care, sensitivity and respect for your wishes.

A gift in your will to Wenona provides a way for you to make a lasting contribution to ensuring Wenona's future.

Every gift makes a difference and strengthens our future and that of our Wenonians.

How will your gift be used?

You may wish to make an unrestricted gift in your will that allows Wenona to use it where it is most needed at the time it is received.

Alternatively, you may wish your gift to be directed to a particular area you are

passionate about, including enhancing the physical environment of the School, by contributing to new buildings, or providing scholarship opportunities to deserving young women who would not otherwise have the opportunity of a Wenona education.
