

A stellar year!

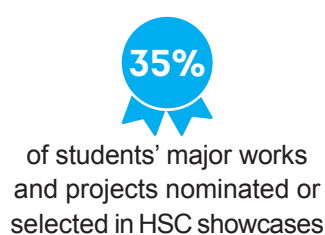

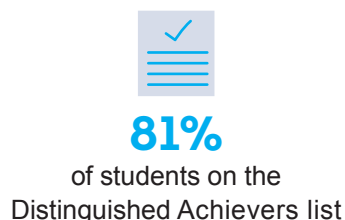

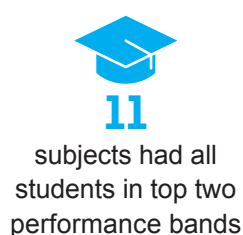

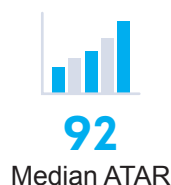

Congratulations to the Class of 2016 on their outstanding HSC results! These are the highest results we have achieved since the current HSC format began in 2001. As a cohort, the Class of 2016 has worked diligently and consistently, supporting and encouraging each other onwards, enacting the maxim that “all ships rise on a rising tide”.

I would like to acknowledge the many girls who worked consistently across their full range of subjects and who have been acknowledged as All-round Achievers. I would also like to acknowledge and congratulate all of our girls for their hard work and determination, regardless of the mark. We have high expectations of our students – high expectations around both character and work ethic. The results will be what they will be. If our students work hard, give their best, are kind to others, humble in manner and actively engage in their education, we can all be very proud of their efforts. Congratulations Class of 2016!
